2023-2024 4-H Registration

Basic Club Enrollment List

We ask that Overall Leaders use these sheets as a means to track the members and leaders who indicate that they will be registering with the Club for the 2023-2024 Club year. By providing a copy of these sheets to your 4-H Specialist following your registration event; the staff person will then be able to keep track of which registration/enrollment forms are received and update the Club as requested.
