

# 4-H PEI

## Scholarship Awards – Short Answer Questions

Application Deadline: Friday, November 15<sup>th</sup>, 2024 at 5:00pm

---

### Applicant may choose to answer:

- One question in 300 words,

### OR

- Two questions, each 150 words.

### Instructions:

- ✓ Short Answer Question/s should be typed
- ✓ Size 11 or 12 font, double spaced
- ✓ Answers should be in complete sentence, paragraph form and double spaced
- ✓ Spelling and content will all be taken into consideration.
- ✓ Any sources used within the answer must be properly cited within the text, along with a bibliography.
- ✓ Be sure to include title and your name at the top of page/s.
  - Member should choose an appropriate title to accompany answer – for an example, should you choose to answer question 1, an appropriate title could be *The Future of PEI's Healthcare*. The chosen title should reflect the question so that judges can easily identify which question is being answered.

### Options:

1. The health care system in PEI, and across Canada, is seemingly in a crisis. How did we get here? What do you think it will take to build back a strong system on PEI to serve the population?
2. What 4-H Project was most beneficial to you in your 4-H career, and why?
3. What are some of the important issues in your current or future field of study?
4. 4-H Canada recently launched a new campaign 'Tomorrow Needs 4-H. Today, 4-H Needs You' in response to funding cuts from the federal government. Present an argument for or against the Department of Agriculture & Agri-Food Canada to continue to fund organizations like 4-H.
5. Artificial Intelligence, or AI, has been implemented into various parts of our lives, social media being a big one, to the point where people don't always know if a story they read is true or not. How do you feel about how AI is being used on social media platforms? What impact does it have locally, nationally, and internationally? What will the long-term impacts be?
