

# WOODWORKING PROJECT

- Saturday, May 7 & May 14 (2 day project workshop)
- 9am - 1pm / Royalty Centre, Charlottetown
- \$40.00/member (Max 20 members)

4-H PEI and The Construction Association of Prince Edward Island are excited to offer this interactive workshop for 4-H Members. The 2-day workshop will focus on Shop Safety 101, development of woodworking skills and the basics of working in the construction industry. 4-H members can expect to have a hands-on experience learning skills & techniques of the trade while working through the completion of a wood built item to fulfill the requirements of this 4-H project.
