## New Addition - QR Code

In this month's newsletter you will notice that we've made the addition of a few QR codes. We realize that not everyone is tech savvy, but QR codes are very easy to use:

**Step 1:** Open up the camera app on your phone

**Step 2:** Hover over the QR until it turns yellow

**Step 3:** A link will pop up, click it - this will open the information that coincides with that code!

The QR codes will allow us to mail out paper copies of the newsletter, while still making information easily accessible for our membership. These codes can be scanned by your phone on paper or on screen, so either way we hope it is a useful addition. Let us know what you think!

## Animal IDs & Exhibition Entry

If you are a 4-H member who is taking an animal project and you would like to participate in fairs this summer: Forms are now available online. The Animal ID and Exhibition Entry are combined on one form

More info about the Exhibition Circuit (Home Ec. & Life Skill Projects) on the next page!

## Exhibition Circuit

We know that some of our Clubs have Achievement Days coming up so here is some information for our “non-livestock members” regarding how you can be involved in Exhibitions!

### What does “Exhibition Circuit” mean?

1. A term widely used in 4-H PEI during June, July and August
2. The series of events in which 4-H project items travel to during the summer for display - Beginning in Alberton or Crapaud, onto Old Home Week and Dundas, then ending in Evangeline
3. A method of displaying the talents (project work!) of 4-H members and promoting the program

### How can you participate?

A member must simply complete the project requirements for the project that they have chosen and display project items at Achievement Day. On each Project Information Page (P.I.P.) - found on the website - there is a heading **Exhibition Requirements**: here you will find what item you can send on the Exhibition Circuit. *Note - there are some projects that do not have tangible items as a project requirement; in this case you cannot send an item onto the Circuit. There are also some projects (ie. Foods) in which your items must be made fresh for each Exhibition - see below.* The [4-H Home Ec. & Life Skill Projects: Classes and sections for PEI Fairs & Exhibitions](#) lists classes and sections with specifications for each.

### Why should members participate?

First of all, you should be proud of your work and feel confident in displaying it for others to see! Exhibitions are a great opportunity for the 4-H program to showcase the work our members do. Your project items naturally become a recruitment tool; it is our hope that when others see what 4-H has to offer that they will reach out and join the program too! Did we mention there is prize money involved!? Projects are judged at each of the five Exhibitions and prize money is awarded. Members will receive prizes in the fall. Finally, exhibitions are economically and historically very important to our communities and by contributing your work you are, yet again, using your hands for larger service to better your community.

### How do my project items entered?

At your Club’s Achievement Day you can indicate to your Overall Leader or 4-H Specialist which item/s you are wanting to enter. Items will be gathered and delivered to the Provincial 4-H Office. Alternatively, you can deliver your own item to the 4-H Office by noon on July 26th (these items will go to Crapaud)... or each Fair has a “project drop off date” listed. Project items can be dropped off at any of these times. More specifically, if you are completing a Foods, Cake Decorating, etc. project - these will be the dates/times in which you drop off your baked goods.

As always, 4-H staff are more than happy to tell you more and answer questions!

## That's a Wrap!

That's a wrap on the 2022-2023 Provincial Projects... what an exciting year it was to have staff, Lori Kirkpatrick, come on board and be able to offer so many awesome opportunities for our members!

[View Photos Here!](#)

We are already think about ideas for next year! In saying that, if there are any project-in-a-day ideas, or individuals out there with hidden talents that they're willing to share, please reach out to Lori. We have already had a parent come forward and offer to facilitate a project-in-a-day after seeing this year's offerings. Members can look forward to a mix of returning project days and some new projects too!

One of the challenges that Provincial Projects presented this year was the need for screened and trained leaders to accompany members on these days. We are going to begin to compile a list of names for volunteers who are willing to attend Provincial Projects next year. Ideally we would like to offer more Provincial Project options next year, but this will be dependent on available volunteers.

The Regional Council was pleased to presented the newly reestablished trophy for the Top Senior Member Public Speaker. This was an award that was originally given out in the Souris District. After the Souris and Montague Districts amalgamated into a Region this award was retired. Recently the Regional Council decided to reestablish the award in memory of longtime leader, Phyllis McCabe. The inscription on the trophy reads:

*Eastern 4-H Region*

*Presented to the Top Senior Public Speaker*

*In Memory of Phyllis McCabe*

*A dedicated 4-H Leader*

*A respected School Teacher*

*A valued Community Member*

Congratulations to Victoria Mellish, Summerville Club, who was the 2023 recipient of the award. Presented by Johann Holland.

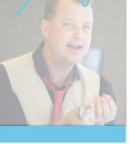

## Provincial News

We would like to remind members and parents that Achievement Day is the ideal opportunity to say THANK YOU to Project Leaders and Overall Leader/s for their and efforts. Our leaders are the people who continue to make 4-H happen in our communities!

## Leader Appreciation

## Project Documentation: Achievement Day Requirement

By now all members should have received their new binder to be used as a "4-H Portfolio" - a way of documenting their 4-H career with the goal of the Provincial Council being able to give credit to members for their time in 4-H when they graduate from high school. If you did not receive a binder from your Overall Leader please inquire with your leader. Leaders, if you need more binders, please reach out to the office. Each member is required to have their binder on display at Achievement Day as part of a member's project completion.

All Members must complete the following documentation. This document only need to be filled out once.

- [Portfolio Documentation](#)

If you are completing an Animal Project these are the documents that you need to have

1. [Project Page: Animal Project](#) - this document is required to be filled out for each animal project that a member completes. For instance, if a member is completing beef and canine, at Achievement Day they must have one of these forms filled out for beef and another for canine.
2. [Creed of the Animal Caretaker](#) - any member completing an animal project must print and sign this document to be displayed in their binder.
3. [Judging Overview](#) - any member completing an animal project must print this document and complete it accordingly

If you are completing an Home Economic or Life Skill Project these are the documents that you need to have

One of the following forms is required to be filled out for each home economic or life skill project that a member completes. For instance, if a member is completing sewing and cooking, at Achievement Day they must have one of these forms filled out for sewing and another for cooking

- [Project Page: Home Ec Project](#) - this document can be used when a project has additional expenses (ie. Craft supplies, sewing materials, food, etc.)
- [Project Page: Life Skill Project](#) - this document can be used when a project does not have documentable expenses (ie. Astronomy, outdoors, etc.)

Keep an eye on your email and our social media for a video to help members navigate Achievement Day requirements!

The EastGen Showcase is a competitive learning showcase for Atlantic beef and dairy participants. It is open to dairy and beef members who are 13 years of age and older as of January 1 of the current 4-H year. The program includes training and education on showing, judging, preparation, and management, as well as a competitive show. Each year there are a variety of other topics relating to agriculture, dairy and beef that are also discussed. Over the years, we have done sessions on marketing, feeding your heifer, breeding, genomics, classification, photography, and the list goes on. This is an extremely good program to advance your dairy and beef skills, with an intensive program mixing clipping, judging, showmanship, and a competitive

show with lectures and activities that participants are evaluated on throughout the event.

Please read [this document](#) to learn more about the Showcase. If you have questions, please do not hesitate to reach out for more information. Registration and payment of the \$155 event registration fee is only available through Assist Expo and the deadline to apply is JUNE 10. You should hear back about your registration no later than June 16<sup>th</sup>. If not, please reach out to Rhonda MacDougall at [Rhonda.MacDougall@novascotia.ca](mailto:Rhonda.MacDougall@novascotia.ca)

The link to register is:  
<https://www.assistexpo.ca/eastgen-atlantic>

A reminder that we are also looking for screened and/or trained leaders/parents to assist with the Showcase in a chaperone and support capacity. For more information, please reach out to 4-H Nova Scotia to express your interest to Angela Masters at [angela.masters@4hnovascotia.ca](mailto:angela.masters@4hnovascotia.ca) We greatly appreciate the assistance of volunteers for this event, and thank you in advance for considering this request as the program could not happen without volunteers assisting in this capacity.

A note to our 4-H PEI Beef Members - those who decide to register and attend will be reimbursed \$75 by the 4-H PEI Beef Committee. Your Beef Leader or Katie will be in touch after registrations are complete. A reminder, new this year, in order to be eligible to compete in the Royal Beef Selection Class in Dundas, beef members must show their Royal Selection Animal at: Club Achievement Day, PLUS one additional 4-H PEI Show (EastGen will count), PLUS the Showmanship and Conformation classes at Dundas Fair. If a member complete their Achievement Day at an Exhibition they CAN NOT use that as an additional show.
